

Waukesha Water Utility releases Consumer Confidence Report

WAUKESHA — Waukesha Water Utility has announced the publication of its 2023 Consumer Confidence Report for the year ending in 2022. The utility wants its customers to know about the water they drink.

In conformance with EPA standards, the Water Utility summarizes its water quality test results throughout 2022 into a report that is available to all Utility customers at <http://waukesha-water.com/ccr.html>.
