CONSUMER NOTICE

Get to Know Your Water

Waukesha, WI – (June 2018), Waukesha Water Utility is pleased to announce the publication of its 2018 Consumer Confidence Report for the Year 2017. The Utility wants its customers to know about the water they drink. In conformance with EPA standards, the Water Utility summarizes its water quality test results throughout 2017 into a report that is available to all Utility customers at <http://waukesha-water.com/ccr.html>. If you do not have web access, please call the Utility at (262) 521-5272 to request a copy.
